WireXpress is a \$100 million redistributor of wire and cable, data communications, physical security, industrial networking and related support products. We are owned by an \$8 billion Fortune 500 company with \$1 billion in inventory, but we are separately managed and sell exclusively to distributors.

Access our core brands and products and say “yes” to your customers

WireXpress was created in 1988 to help distributors grow their sales by being able to quote more often and write more sales orders with more lines through additional access to brands, inventory and pricing. With top brands and the largest inventory of wire and cable, data communications, physical security and industrial networking products in North America, WireXpress can help you say “yes” to your customers.
